Conference Submissions

We invite researchers and practitioners to submit papers for our regular technical sessions. These sessions are a core part of our conference and provide a fantastic opportunity to share your work with global audience of experts.

Submissions are invited on a diverse array of topics within the power and energy sectors, including but not limited to generation, transmission, distribution, renewable energy, and other innovative or emerging concepts.

[Topics, submission format and guidelines](#)

We also encourage you to explore the key activities lined up in the Schedule at a Glance under the Program section of our website.

[Schedule at a Glance](#)
