

## Don't Miss Asia's Premier Power & Energy Event

### 1. One Week Left to Submit

This is a final call to all researchers and professionals! The submission deadline for the 2025 IEEE PES GTD Conference and Exposition Asia is on 30 September 2025. With the conference taking place from 26–29 November 2025 in Bangkok, Thailand, you have only one week left to contribute to this significant milestone in the fields of Power Generation, Transmission, Distribution and Renewable Energy. Ensure your work is part of the conversation.

### To Submit

Navigate to "My Submissions" in the "Attendee Options" section. Complete the online form in full, and ensure all required information is uploaded before final submission.

### 2. Event at a Glance

**Dates:** 26 – 29 November 2025

**Location:** Queen Sirikit National Convention Centre (QSNCC), Bangkok, Thailand

**Theme:** Accelerating The Energy Transition toward Carbon Neutrality - A Sustainable Energy Future for All

### 3. Spotlight on Major Activities & High Profile IEEE Representation

The conference features a world-class program designed to foster collaboration and showcase groundbreaking technologies. Key highlights include:

**Keynote Sessions:** The Opening Ceremony on Thursday, 27 November will feature addresses from top industry leaders during Keynote 1 and Keynote 2 sessions. These sessions are central to gaining insights into the future of the energy sector.

**High-Profile Panel Sessions:** Engage in forward-thinking discussions, including a standout CEO Roundtable hosted by Schneider Electric. These panels bring together thought leaders to discuss critical challenges and solutions.

**Super Sessions on Critical Topics:** Dive deep into specialized areas such as Grid Modernization and Energy Storage in Power Systems: Technology and Application.

**Technical Tours & Exhibition:** Gain real world insights through technical tours of major utility facilities and explore an expansive exhibition showcasing the latest innovations from international corporations.
